Each page below has 5 questions. Answer the questions on one page each day for one week. Write them out in the document below.

You will get through all the questions in 6 days. If you don't know the answer to a question, write down your plan of action to get the answer. Write down the steps you will take to get the answer. Write down when you will have the final answer by.

On Day 7, review your answers.

Optional: Post or keep your answers in a place you'll see them regularly. Review them weekly. Highlight the ones you still need to get answers to.
